

VINE PRESS

He is Not Here, He is RISEN!

I am the Vine and you are the branches. If you remain in me and I in you, you will bear much fruit.

John 15:5

Patient Prayer Needs, please be praying for:

*A patient whose scan indicated a likely pregnancy loss. She and her husband are still grieving a pregnancy loss from a few months ago, so it was REALLY hard news. This young patient has incredibly difficult sorrows from her childhood and no relationship with her parents. Jesus has been her kind and GOOD shepherd. Please be praying for His love and care to be strongly felt through their grief.

*A patient, who was very conflicted about moving forward with her pregnancy, cancelled her return appointment with us. Please be praying over her as she continues to consider giving life to her baby. The father of the baby is pushing for abortion, but they are no longer together. She struggles with addiction issues and accepted Jesus in our clinic during her first visit.

*A teen patient who was struggling with mental health issues and suffered a pregnancy loss at 10 weeks gestation.

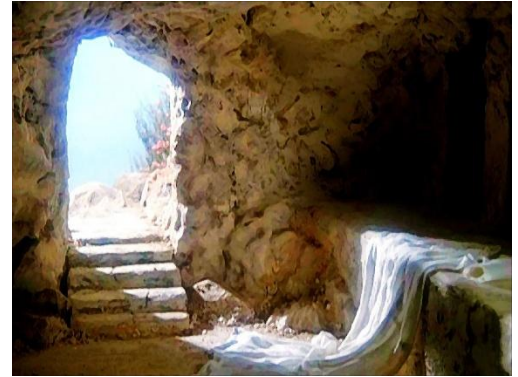

*A couple who had a pregnancy loss in January and are pregnant again. They ask us to, "Pray for a healthy, strong baby." They expressed interest in getting involved with one of our supporting churches to meet other parents. They expressed appreciation for a confirmation ultrasound scan at our clinic.

For this reason the Father loves me, because I lay down my life that I may take it up again. No one takes it from me, but I lay it down of my own accord. I have authority to lay it down and I have authority to take it up again. This charge I have received from my Father.

John 10: 17 & 18

Happy Easter from all of us at Vine Medical! We pray that the power and promise of Jesus's perfect life, sacrificial death and glorious resurrection will fill your heart and mind with peace, joy and expectation.

May it increase your faith, no matter what you are facing in life right now, to know that He is interceding for you in prayer (*Rom 8:34*) and preparing a home for you in Heaven.

Let not your hearts be troubled. Believe in God; believe also in me. In my Father's house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also.

John 10: 1-3

Dr. Brian Mahon, Radiologist

Meet our Medical Director, Dr. Mahon

Hi, I'm Dr. Brain Mahon. I was raised on the East Coast and eventually found my way to Portland for post-residency training at the Dotter Institute at OHSU.

My wife and I now live on a small farm outside of Carlton with our three "youngish" kids. Life is full of chores, sports practices, and the beautiful chaos of raising a family—but it's a joy.

It's an honor to work alongside the team at Vine Medical. They pour so much heart and purpose into serving women in our community. Vine is more than just a clinic—it's a light in the darkness, a place of hope and healing in a world that deeply needs it. I'm grateful to be a part of it, serving as the clinic Medical Director since January 1st.

As the Medical Director and Radiologist for Vine, I support the team by reading ultrasounds and offering clinical guidance as needed. It's a privilege to play a role in helping women feel seen, cared for, and supported—whether they're navigating uncertainty due to their pregnancy or simply seeking clarity, confirmation and referrals for ongoing OB care. Thank you for praying for us as we serve at Vine.

Thank You to the Catholic Daughters of St. Peter!

Please Pray For, continued:

*A married, Christian couple who had a very traumatic pregnancy loss in December and are pregnant again. It was gratifying to have a positive outcome at their confirmation ultrasound appointment.

*An engaged couple, so happy to be pregnant. Mom-to-be asks us to pray for, "Healthy pregnancy, healthy baby, discernment about where the Lord wants me, work, and housing."

*A Christian, married mom with several young children and a surprise pregnancy shares, "Husband travels for work - single parent while he's gone. Lots of work. Prayer for strength, patience, and energy."

*A sweet Christian couple happy to be pregnant with their 2nd child asks us to pray for, "Childcare in the fall for both kids. Clarity on work and calling as we raise our family and are doing ministry."

*Please continue to pray for our patient with cancer, now in her 3rd trimester.

*Please pray for a couple who came in for a meet the baby appointment. Mom has to go back to work soon and asks for prayer as she prepares to leave her little one during the workday.

Pat Ridenour and Grandson William delivering baby shower items to Vine

It is always a blessing when a local ministry chooses Vine Medical as a partner in care. The Catholic Daughters court at St. Peter Church in Newberg asked if they could hold a baby shower to provide items to our precious patients. And, OH MY, did they overwhelm us with love!

It took multiple trips by Pat, William and Vine volunteer Cindy Bristow to carry in all the boxes and bags of items they selected. Over 60 new baby outfits and everything from pacifiers to infant bouncers and diaper bags to the ever-popular diapers and wipes. These lovely new items will bless our mamas-to-be and their babies so very much.

THANK YOU, LADIES and thanks to Pat and William for coming in to tour Vine Medical to learn about the ways we serve local families!

Julie Dyck, Vine's material services coordinator, put together a patient wish list (see QR code) to help them with their gift selection process. Julie is aware of what our patients are requesting and what infant items are most helpful as they prepare to bring a new baby home. It is so fun to look at, we wanted to share it with you. Any gift ordered from our Amazon wish list can be shipped free, directly to our clinic!
